"Signs of the Times"
Georgetown High School
Georgetown, Massachusetts

In our journey through life we encounter many confusing signs . . .

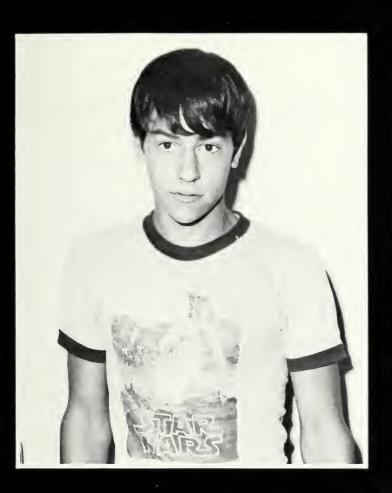

KEEP
RIGHT

SPÉED LIMIT 30

SPEED LIMIT 35

SPEED LIMIT 4.0 . . . but we must discover our own values so that we may create the signs of the times.

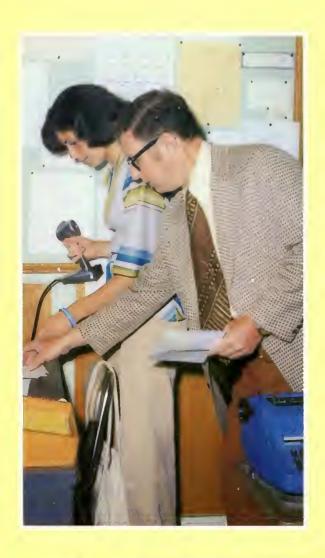

Signs of beginning

of awakening

. . . And of trying to remain awake

when there are things to be done.

Stone of Irrand, Inc.

and need

Signs of hard work . . .

. . . dedication . . .

. . . and unity.

American Previous

of elatomi

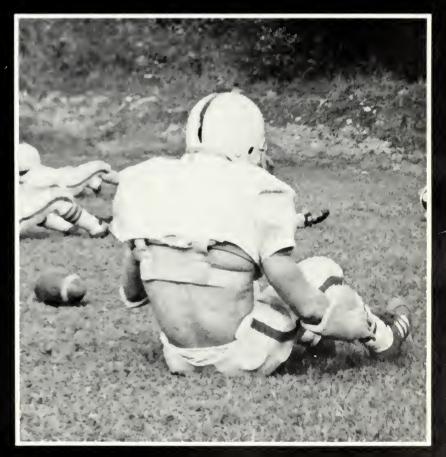

Signs of preparation for tomorrow.

And finally, signs of ending

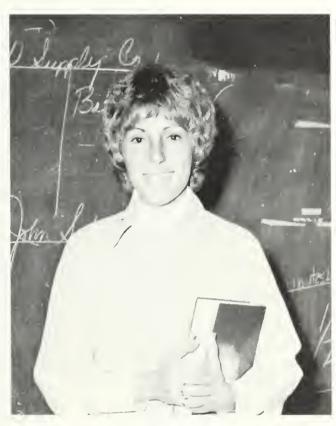

only to begin again.

The GHS football team had one of its best seasons ever this year. Despite several injuries, the players combined their efforts in each game to end up with a 5-5 record. By far the most enjoyable game of the season was the final one against undefeated Manchester. The game was played after the annual Spirit Week Pep Rally which sparked Georgetown to its 6-0 win.

Sometimes the score of a game doesn't accurately show the efforts that a team demonstrates. Though the field hockey team didn't do as well as they hoped, the majority of losses were very close. The team should be commended for the high caliber of field hockey that was played.

Ooohh! The pain!

With a 5-8 record, Georgetown's Cross Country team had a very competitive season. The highlight came with their defeat over Masconomet, the first in 12 years. The most disappointing meet however was their loss to Manchester by only 3 points. Under the leadership of Coach Richard Cairns, and co-captains Jim Shay and Steve Caporizzo, the Cross Country team had a rewarding year.

Wow! Did you see that shot?

At first it didn't look like there would be hockey at all this year when the School Committee threatened to withhold funds, but they reconsidered and the team took to the ice with high hopes and even sticks and pucks! They started the year with new coaches Dan Flanagan and Dan McCleoud, and quickly showed the Cape Ann League a new hustling system of play. The team's season was highlighted by 4 outstanding victories which caused coaches all over the league to recognize the Royals as an up-and-coming team for many years to come.

Wrestling

Get off my back, fatso!

Gee! I didn't know you cared

Say "Uncle."

Now what am I gonna do?

Have I got a headache!

Under the capable leadership of Co-Captains Jim McGillicuddy and Russ Emerson, the wrestling team established themselves in the wrestling scene. Battling injuries, inexperience, and a very small squad size, the team proved itself capable of hard work, dedication, and tremendous pride. The highlight of the season came with the meet against Ipswich at which Georgetown earned a record 55 points. Later, in the Cape Ann League Championships, 5 wrestlers qualified for the Sectionals and two went on further to the State All-Star Meet where they earned 5th and 12th place standings.

Ralph Waldo Emerson put it so aptly when he said "Each moment of the year has its own beauty, a picture which was never seen before and which shall never be seen again." Each picture you've just seen is a portrayal of us, the Senior Class of 1978, and of you, the people who made our school year what it was. These special moments have been captured and preserved not only in the pages of this book but in our memories, which will always retain the images of our high school days.

Thanks to the help of a dedicated staff, George Sonia, Peter Goodwin, Peter Nizwantowski, Peggy Ivancic, Steve Lynch, Erica Pierce, Steve Pirrotta, Karen Mutch, Kathy Magown, Ellen Morehouse, Dianne Prendible, and our advisor, Mrs. Carol Scott, the 1978 yearbook was a complete success. Other special thank you's go to Mr. Arns, Mr. Fraser, and Mr. Bannister for their photography aid, and to Jim McGillicuddy for his time and energy given to the book. The final thank you goes to all: the faculty, administration and students who supported and allowed us to create this yearbook.

I'm sure the entire staff will agree that publishing a book that truly belongs to this school has been a most rewarding challenge. To those who will follow in our footsteps and look back on this book in years to come, we hope it may be a reflection of the joys and pleasures experienced in our final year at Georgetown High School.

Committee the kind of the sext

Big Deal!

And I did it all by myself!

Don't shoot 'til you see the whites of their eyes.

We'd better be getting overtime.

This is the only way to stay in the Honor Society-

I made the headlines!

The court finds you guilty as charged.

Signs of reflection and anticipation.
